## Monthly Park Update's

Hard to believe it's already September. It's official, fall will arrive this month!

There will be many social events in the upcoming months. These will be contingent on state guidelines. Our community's health and safety remain our top priority.

Our Community Yard Sale, September 18th might be good time to clear out items you've been meaning to get rid of or buy a special item from someone else. Either way it will be fun.

Our Dog Park will be holding a "Grand Re-Opening" this month!

The Community Directories are in the final stages. You will be notified when they are ready and available in the clubhouse.

## TWO COURSES IN ONE

“Did you know that Skyline Ranch Country Club has two separate golf courses?

The Skyline Ranch Golf Association (SCGA) course is a 3069 yard/par 60 course for the Men and 3015 yard/par 60 for the Ladies’. The course is marked on the tee boxes by Red Medallions for the front nine and Yellow Medallions for the back nine with slight modifications for the ladies. The Skyline Ranch Golf Association (SCGA) has tournament play for men and women on Tuesdays and schedules out of park play quarterly.

The Skyline Ranch Country Club Men’s Club course is a 2818 yard/par 58 course from the men’s (Blue and White) tees.

The Skyline Ranch Country Club Women’s Club course is a 2623 yard/par 60 course from the Ladies’ (Red and Yellow) Tees.”

## SNAKE BITES

Rattlesnakes are a natural part of our environment. Simple precaution should be taken, as most bites occur between the months of April and October.

If you are bitten:

- Remain calm
- Call 911
- Immediately remove watches, rings, etc which may constrict swelling
- Immobilize the affected area
- Keep the bite below the heart if possible

The "you can't wear white after Labor Day," rule was created to separate the old money elitists from the new money group. ... For those who had money and could leave the city during warmer months, white was considered vacation attire
